EE-I DAILY PROGRESS REPORT, THURSDAY, 8 NOVEMBER 1951

BGFIEND

On the night of November 7/8, the OPC plane dropped 500,000 leaflets over Albania. These NCFA leaflets entitled "Our Reply to the Communist Terror" were pertinent at this time as they gave specific instructions to the Albanians to avoid overt acts but to support Committee agents. They serve to show the people that the NCFA is not abandoning its efforts despite recent setbacks. This is the first drop since the RAF mission over Albania on September 28.

BGFIEND Addendum:
A second W/T communication has been received from the Pine Tree Team. It has been interpreted to mean that the 15 October resupply drop of 2 W/T men and supplies was received. The message states that half of the supplies were in the hands of the enemy and requires more technicians.
